Sponsor signature

Ironman: \$2500: This level is our 'title sponsorship' level. In addition to everything from the **Half Iron** sponsorship level, the **Ironman** sponsor names will also appear on our required competition uniforms, and therefore in most TV and newspaper coverage. **Limited to only 4 sponsors**, you will be mentioned in all press releases distributed by the club. Your name would be the most prominent on our T-shirts and sweatshirts, and **Ironman** sponsors will have top billing on our banner. This level is open only until February 20, 2009, so we can order uniforms in time for our earliest events.

Half Ironman \$1000: In addition to everything from the **Olympic** sponsorship level, your business logo and link will also appear at the bottom of EVERY page of our website, reinforcing the brand impressions for local athletes and supporters. The web site, which is linked to the United States Triathlon Association web site, is the primary venue which attracts new members. **Half Iron** sponsors will also be displayed on our banner.

Olympic \$500: In addition to everything from the **Sprint** sponsorship level, your business will also be more prominently displayed on our T-shirts/sweatshirts and non-racing apparel by adding its logo with larger type, and your web link will be on our sponsor's page of the GSTC website. Both enhancements will differentiate your brand from other sponsors.

Sprint \$250: Your business name will be displayed on the sponsorship page of our website www.gstriclub.com, and on our T-shirts/sweatshirts and non-racing apparel. A listing of all sponsors will be available as an insert to our brochure. This is a unique opportunity because you are paying for a one-year placement, but our members, and their friends and families, will be wearing these items for years to come!
